

BWL Adoption of the 2015 UK Anti-Doping Rules

“The Board of British Weight Lifting hereby resolves that the anti-doping rules dated 1st January 2009, shall, as and from the 1st January 2015, stand repealed and shall be replaced by the following rule:”

“The anti-doping rules of the British Weight Lifting are the UK Anti-Doping Rules published by UK Anti-Doping (or its successor), as amended from time to time. Such rules shall take effect and be construed as rules of British Weight Lifting with the following amendments and supplemental provisions:

12.1 Financial Consequences

Where an Athlete or other Person commits an anti-doping rule violation, the sporting administration body may, in its discretion and subject to the principle of proportionality, recover from the Athlete or other Person costs associated with the anti-doping rule violation, regardless of the period of Ineligibility imposed.

The imposition of a financial sanction (such as the recovery of funding by a sport organisation) shall not be considered a basis for reducing the Ineligibility or other sanction which would otherwise be applicable under this Anti-Doping Policy or the Code.
