Where an athlete is unable to compete or does not achieve the qualification total, the BWL selection panel will reserve the right to consider a lifter for selection under the following circumstances:

1. a WCP athlete who is fully engaged with the WCP, satisfying their WCP objectives and the World Championships features as part of their performance plan.
2. any athlete who has already lifted the required qualification total or who has demonstrated the potential to achieve the qualification total through their performance trajectory but through injury or illness was either unable to compete or able to compete but not to the best of their ability.
3. any athlete whose participation at the World Championships will be beneficial in supporting the team and/or BWL achieving predefined stakeholder milestones.
