PREFACE

A High Performance vision of British Weight Lifting (BWL) is to develop a sustainable World Class Programme (WCP) for Olympic Weightlifting and IPC Powerlifting that supports the development and preparation of talented lifters who have demonstrated the potential to win medal at Olympic and Paralympic Games in the future.

The maximum number of places available on the WCP is 6 for Weightlifting (females only) and 5 for IPC Powerlifting.

Athletes who are on the WCP are then eligible to apply for an Athlete Performance Award (APA), which is a Lottery-funded grant to support their progression towards the podium at the Olympic or Paralympic Games. BWL have one (1) A level podium and four (4) podium potential APA places available to award to eligible athletes.

PURPOSE

The policy has been established to select athletes for the WCP who are most likely to win medals at the Paralympic Games in Rio 2016 and/or Tokyo 2020 and who can take full advantage of the opportunities and support on offer from the WCP.

It has been based on the following:

- An athlete's rate of progression in performance and the likelihood of them producing a medal winning performance at the Rio 2016 and/or Tokyo 2020 Paralympic Games
- Athlete willingness to work with others and be productively supported by a multidisciplinary team that includes coaching, sports science and medicine in Loughborough on a weekly basis

WORLD CLASS PROGRAMME OBJECTIVES

- To win 1 to 3 medals at Rio 2016 Paralympics including 1 Gold Medal
- Increase the potential to win more medals at the Tokyo 2020 Paralympic Games than in Rio 2016

1. ELIGIBILITY CRITERIA

- being in good standing with British Weight Lifting and/or its affiliated bodies and eligible to represent Great Britain in International Competitions under the rules of BWL and the IPC
- not be serving a ban from participation in the sport for any reason (such as a result of being found guilty of a doping offence or being found guilty of an offence relating to betting, manipulation of results, corrupt conduct, inside information etc).
- being a participant in the BWL's anti-doping programme, including UK Anti-doping online whereabouts system, or be registered on this as soon as the athlete confirms their place on the WCP
- meeting the criteria as set out in UK Sport's Eligibility, Conduct and Consequences Policy for Athletes in receipt of public funding and/or publicly funded benefits

- be able to alter work commitments to facilitate training in Loughborough on a weekly basis

2. SELECTION OVERVIEW

2.1. The selection panel will consist of the following members:

- Member of the High Performance Committee (HPC) - CHAIR
- BWL Performance Director
- BWL Paralympic Performance Manager

The UK Sport Performance Advisor and the BOA Sport Engagement Manager may also be in attendance in an observatory non-voting capacity and will ensure that the provisions of this policy are properly adhered to

- 2.2. It will be the responsibility of the BWL Paralympic Performance Manager to ensure that the Panel members have sufficient information in advance of the meeting on which to make their decisions.
- 2.3. As each athlete is considered panel members will declare any conflicts of interest and the Chair will decide if that panel member can contribute to the discussion
- 2.4. There will be no fewer than three members in attendance at any meeting of the Selection Panel, either in person or through telecommunications
- 2.5. The selection panel may set conditions and targets for each athlete on the BWL WCP, some of which may have to be met before membership can start

3. SELECTION PROCESS

- 3.1. For athletes who satisfy the eligibility criteria who wish to be considered for selection on the WCP please complete the attached application form (Appendix 2). All applications should be submitted electronically or by post to the Paralympic Performance Manager by 17:00 on the 31/03/2015. Nominations received after this time will not be eligible for consideration
- 3.2. All applications will be reviewed and if there are unknowns relating to section 3 the athlete will be invited to interview with the Performance Director and Performance Manager prior to 17/03/2015. The selection panel will consider the information from this interview in the selection meeting
- 3.3. Each athlete who has completed an application will be presented for the Selection Panel for consideration
- 3.4. The Paralympic Performance Manager or Performance Director will communicate selection decisions to the athletes who have nominated themselves within 1 day of the Selection meeting
- 3.5. Athletes selected on to the BWL WCP will be placed within one of the categories on the BWL WCP Performance Matrix (Appendix 1), which will determine their funding level

4. SELECTION CRITERIA

The BWL selection panel will take into account the following in determining which athletes shall be selected onto the WCP. For the avoidance of doubt the below criteria are not to be assessed in order of priority; rather, the selection panel shall give due consideration to all of the criteria set out below in reaching decisions which shall provide the best possible chance of achieving the purpose set out in the WCP Objectives on page 3 of this policy.

- 4.1. The maximum number of places available on the WCP is 5 (1 podium and 4 podium potential), however, this squad size can be smaller than this based on athletes satisfying this criteria adequately. For the avoidance of doubt, not all athletes who fulfil the selection criteria may be selected to the WCP
- 4.2. Trends and world standards within the weight categories to predict likely medal winning performances
- 4.3. Athlete's likelihood to win medals at the Rio 2016 and/or Tokyo 2020 Paralympic Games. This will include analysing the athlete's performance trajectory and using this to assess the likelihood of performance levels being achieved that will be necessary to medal at a Paralympic Games (as illustrated in Fig.1)

- 4.4. The number of years the athlete has been competing in the sport
- 4.5. The athletes medical history and current injury status
- 4.6. Athletes capabilities and intentions to fully integrate WCP support into their preparation. This includes:
 - 4.6.1. maximising the capabilities of sports science and medicine services in Loughborough to support preparation and improvement in performance
 - 4.6.2. The athlete's openness to implementing change in their preparation based on objective data relating to their technical and physical abilities
 - 4.6.3. Athletes endeavour to develop and maintain a lifestyle that prioritises and supports improvements in training and competition performances.
 - 4.6.4. Evidence of the athlete displaying the following values; honesty, teamwork, open-mindedness, effort and accountability
 - 4.6.5. Athletes applying to enter the program at level F will be supported to train in Loughborough 3 days per week and engage with a training program devised by BWL. Once on the WCP athletes have up to 3 months with support from performance lifestyle to achieve this training frequency in Loughborough. Failure to do so will risk de-selection from the WCP.
 - 4.6.6. Athletes applying to enter the program at level F should achieve level E in competition within a maximum of 2 years on the WCP
 - 4.6.7. Athletes must have a rising performance profile that indicates they have the potential to be a future Paralympics medallist
- 4.7. Additional considerations for current WCP and Confirmation athletes will also include:
 - 4.7.1. Objective data specific to training progress including details of actual training (including exercises, intensities, volumes) as provided from athletes training log and strength diagnostics
 - 4.7.2. Evidence of productive integration and engagement with support staff to improve performance. This includes:
 - Proactively seeking opportunities to enhance performance
 - Consistent and regular communication with support staff.
 - Open-mindedness and personal accountability
 - 4.7.3. Progress that has been made with respect to the Performance Matrix (Appendix 1)
 - 4.7.4. Athletes currently on Level F should have achieved level E performance requirements after a 2 years of WCP funding.
 - 4.7.5. Alignment of the athletes preparation plan with WCP targets

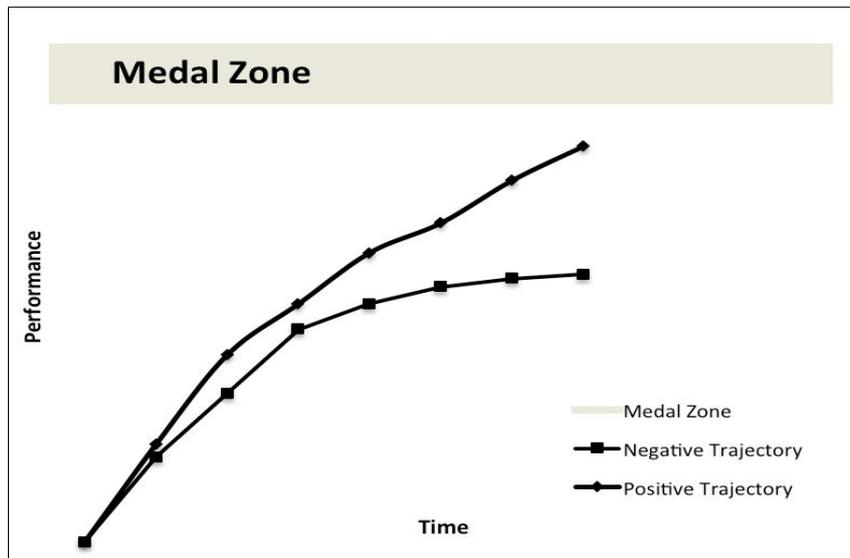

Fig 1. Demonstrates a positive performance trend on a trajectory with the current medal zone vs a negative performance trend demonstrating a plateau in performance.

5. APPEALS PROCEDURE

- 6.3. attend regular training camps and agreed competitions

7. DE-SELECTION PROCEDURE

- 7.1. Each athlete who is selected onto the BWL WCP will meet with the Performance Director and BWL Performance Manager to consider their progress and set objectives relating to competition, technical, training, physical and psychological development
- 7.2. The objectives and progress of each athlete will be reviewed every three months. If an athlete fails to achieve their objectives, an action plan will be developed for the athlete in conjunction with their personal coach and the athlete themselves
- 7.3. The action plan will be reviewed on a regular basis. If consistent improvement is not achieved then the BWL Performance Manager will present the issue to the BWL Performance Director who will decide on any resulting action. The options available include de-selection from the BWL WCP, or changing the action plan to improve performance

Appendix 1 – Performance Matrix

IPC Powerlifting Performance Matrix 2015-2016

BWL Performance matrices that will be used to determine the funding levels for athletes in BWL IPC Powerlifting WCP squads. This performance matrix will be used as part of the BWL WCP Selection Policy to determine Athlete Performance Awards.

Once membership to the WCP has been achieved there is a requirement that the athlete should progress along the funding matrix at a rate agreed with the Performance Manager and Performance Director.

BWL have **4 podium potential places** from level F to level D and **1 podium level place**. The award period is from May 2015 - 30th April 2016.

Athletes on the WCP and in receipt of an APA will also be eligible for support through the Athlete Medical Scheme (Insurance) and the BOA Passport Scheme.

Podium Performance Requirements

The information below outlines the selection requirements for Podium funding from 1st May 2015 to 30th April 2016.

PODIUM LEVEL	ELIGIBILITY REQUIREMENTS	MAINTENANCE

Although BWL have 1 podium place currently available, if more than one athlete achieves a podium level performance between 1st Mat 2015 and 1st December 2015, this does not guarantee further podium places for the WCP from UK Sport but strengthens their case to bin for additional podium places.

Short Term and Long Term Injuries impact on APAs

In the event of short term injury/illness, and if an athlete is likely to recover to full fitness for training and competition, the athlete may continue to receive their full APA allowance up to a maximum of three months from the point of injury.

To continue to receive funding during a performance limiting injury/illness, the athlete would have to agree an appropriate rehabilitation/training and (if appropriate) competition programme with the Performance Director that would timetable and plot the return of the athlete after the injury/illness to full competitive level and to participate fully in the WCP as per the WCP Selection Criteria.

At the end of the three-month period of injury/illness, the Performance Director would be required to undertake a review with the athlete to assess the commitment and progress of the athlete against the agreed programme. If the athlete, during this three-month period had shown neither commitment nor progress against the agreed programme, the athlete would be given a notice period before being removed from APA support.

Pregnancy impact on APAs

To continue to receive funding during pregnancy (and after childbirth), the athlete would have to agree an appropriate training and competition programme with the Performance Director that would timetable and plot the return of the athlete after childbirth to full competitive level and to participate fully in the WCP as per the WCP Selection Criteria.

At the end of a three-month period after the childbirth, the Performance Director would be required to undertake a review with the athlete to assess the commitment and progress of the athlete against agreed performance targets. If this commitment were not demonstrated by the time of the three-month review, the athlete would be given a notice period (dependent on her time spent on the WCP) before being removed from APA support.

Transitional APA Funding

One month transitional funding will be offered to all athletes who are leaving the sport by choice, retirement or are no longer nominated for a place on the WCP at Podium or Podium Potential level. This one month transitional funding could be within an athlete's current award period, i.e. Athlete Reviews should be conducted before APAs are due to expire to allow for a transitional period and paperwork to be turned around. Further funding could be offered at current grant level and for a period of time dependent on continuous time spent on WCP to recognise commitment to the programme. This additional transitional funding is made at the discretion of the Performance Director:

- 1 year = 1 month transitional funding
- 2 years = 2 months transitional funding
- 3 years = 3 months transitional funding
- 4 years > = 4 months transitional funding
