

British Weight Lifting Competition Committee

10.02.2023

Dear members,

At British Weight Lifting, we want to ensure our competitions are diverse, inclusive, accessible and meet our member's needs.

We are looking for 6 individuals to join a competitions committee. We want a mix of technical officials, lifters and coaches who can meet virtually with me quarterly. Input will also be sought from our para powerlifting and weightlifting Performance leads.

If you are interested in joining the committee, please email enquiries@britishweightlifting.org with a paragraph outlining how you want to be involved before 1 March 2023.

If you have any questions about the committee, don't hesitate to contact me.

Kind regards,

Maggie Lynes

Head of Events

British Weight Lifting
