The selection of lifters representing Great Britain at this event will be made according to the criteria outlined in this document.

BWL reserves the right to amend this selection policy or process in the event of unforeseen circumstances that could reasonably jeopardise the performance, safety, or wellbeing of athletes and staff.

Long-list athletes will be notified of any such changes to this policy via email, and updates to the policy will be published on the BWL website [here](#).

At the beginning of the selection meeting, the selection panel will be asked to:

- Review and verify the availability of supporting information.
- Check the longlist of athletes who submitted declarations of interest.
- Raise any concerns if they feel that any athletes are missing from the long-list
- Confirm their agreement on which athletes have met the minimum eligibility criteria

3. Minimum Qualification criteria

- 3.1 Minimum Qualification Standards** - The Athlete must have lifted the minimum qualification standard (MQS) for their age in an IWF / EWF / BWL competition at the bodyweight category they have stated interest for in their declaration of interest (2.3), during the qualification period, 7 March 2026 – 28 June 2026. Minimum qualification standards for this event can be found [here](#)

Athletes must be no younger than 15 years of age and no older than 20 years of age at 23:59 on the 31st December 2026 to compete at the EWF Junior Championships.

Athletes must be no younger than 21 years of age and no older than 23 years of age at 23:59 on the 31st December 2026 to compete in the EWF Under 23 Championships

- 3.2 Key Selection Events** - Athletes must have lifted in no less than two (2) of the following events in the last twelve (12) months to be eligible for selection. Results from these events (which fall within the qualification period) will be considered in order of importance over results recorded at other events if they also fall within the qualification period:

(A) *IWF - World and EWF European Senior Championships*

4. Extenuating Circumstances

Extenuating circumstance applications will be considered at the beginning of the selection meeting, The selection panel will review Extenuating Circumstances (4.1, 4.2) prior to the Selection Process section (5.0)

- 4.1 Bodyweight Discretion** - Athletes may request "bodyweight discretion" for cutting weight during the qualification period if doing so poses a significant risk to their health & wellbeing or performance at this competition. Please see "Appendix A" for further details on how to request bodyweight discretion. All requests will be shared with the selection panel (but will not be reviewed until during the selection meeting). Final approval is at the absolute discretion of the selection panel.

- 4.2 Extenuating Circumstances** - Can be considered in specific situations where an athlete is unable to achieve the minimum eligibility criteria (2.0) or minimum qualification criteria (3.0) through no fault of their own. Please see "Appendix B" for further details on how to request extenuating circumstances. Final approval is at the absolute discretion of the selection panel.

- 4.3 The Selection Panel, in its sole discretion, may approve applications** from athletes who have been unable to meet the minimum eligibility criteria (2.0) or minimum qualification standards (3.0) for this event, provided that such inability does not reasonably appear to limit the athlete's ability to achieve a performance at least equal to the Minimum Qualification Standard (MQS) (3.0) in their respective bodyweight category at this event.

It is highly probable that athletes whose requests for extenuating circumstances are approved and who are subsequently selected for this event will be subject to additional conditions of selection (6.4) pertaining to the area(s) impacted by their extenuating circumstances (6.2.1 to 6.2.4). These conditions are intended to ensure the athlete's capability of achieving a performance that is at least equal to the Minimum Qualification Standard at this event.

5. Selection Process

BWL will select a Team that possesses the greatest potential for achieving Medals and contributing to the overall Team performance at this Event. This policy permits the selection of Weightlifters who have demonstrated a commitment to the sport of Weightlifting and possess the potential to win Medals at the following Events (in order of priority):

- 2028 Olympic Games
- 2032 Olympic Games

The selection panel will convene during the week beginning 29 June 2026

Best total during Qualification period

Ranking Standard (Kg)

The ranking standard against which athletes are measured is based on the average total required to win a bronze medal at the last three European Junior & Under 23 Championships.

BWL Sport80 data is used exclusively to generate athlete ranking lists (5.2); however, only results recorded at the following levels of competition will be used to generate ranking lists for international qualification purposes:

- IWF / EWF / CWF competitions
- British and Home Nation Championships (or overseas equivalents)
- British and Home Nation Age-group Championships
- BWL Performance Pathway Trials events

If an athlete wishes to include competition results in the BWL Sport80 system that are not from BWL, IWF, EWF, or CWF competitions, they should contact competitions@britishweightlifting.org to explore the possibility of doing so. BWL reserves the right to reject competition results if any doubt exists regarding the standards of anti-doping, technical officiating, or the accuracy of the results.

BWL Pathway Rankings are updated online [here](#) on the 15th of each month, based on results recorded in the six months prior to the 1st of each month. Athletes and coaches should note that pathway rankings may not align perfectly with international competition qualification periods, and should check dates thoroughly when reviewing the data.

5.3 Final Team Selection

Using the supporting information available (highlighted above) the selection panel must use the following criteria in order of importance to select a team for this event:

- 5.3.1 Does each athlete's current performance suggest the potential for winning a medal in the combined total in their respective category?
- 5.3.2 Does each athlete's current performance suggest the potential for finishing top 8 in the combined total their respective category?
- 5.3.3 Does each athlete's progress rate suggest the potential for winning medals at future senior international events?
- 5.3.4 Does each athlete's progress rate suggest the potential for winning medals at this competition next year?

If, after reviewing the points above (5.3.1–5.3.4), the number of athletes who have met the minimum standard (3.1) does not match the team size restrictions (5.1.1 to 5.1.4), the Selection Panel, at its

discretion, reserves the right to select the athletes who they believe demonstrate the greatest potential to win medals at the following events (in order of priority): the 2028 Olympic Games, and the 2032 Olympic Games.

If the number of athletes selected by the Selection Panel exceeds the number BWL has the budget to fund for this event (5.1.4), the Selection Panel, at its discretion, reserves the right to:

- 5.3.5 Explore whether BWL can find additional budget to fund further athletes for this event.
- 5.3.6 Explore part-funded options for athletes who are not deemed to have the potential to win a medal in their respective category at this event.
- 5.3.7 Explore self-funded options for athletes ranked 13th and below.

6. Conditions and Obligations of Selection

Athletes representing Great Britain are expected to meet high standards of performance, preparation, and behaviour. The following section outlines guidance on those expectations. If there is evidence suggesting that an athlete is not meeting the conditions and obligations listed below, the Selection Panel and BWL reserve the right to investigate or assess each situation further. If, following such an investigation, the Selection Panel concludes that an athlete has failed to meet any of the conditions and obligations below, the Selection Panel, at its discretion, reserves the right to:

- De-select the athlete
- Impose additional conditions of selection
- Request further assessment

Assessments of injury, illness, health, form, or fitness will be conducted under the guidance of suitable coaching, sports science, and/or medical personnel as designated by the BWL Head of Performance or their delegate (e.g. the designated team leader(s) for the event).

If BWL wishes to request an assessment before departure for competition, then the BWL performance team will provide reasonable notice of no less than 72 hours to the athlete.

If BWL wishes to request an assessment after departure for competition, then the BWL performance team may request an assessment as soon as is practically possible.

Should an athlete refuse to undergo a required assessment, the Selection Panel, in its sole discretion, reserves the right to de-select the athlete.

If an athlete is de-selected after departure for this event or any associated training camps, BWL will initiate their repatriation as expeditiously as is reasonably safe and practicable.

Withdrawal and performance support contribution: In the event that an athlete elects to withdraw from the competition after selection but prior to the final entry deadline—specifically as a consequence of failing to satisfy the requisite conditions of selection (clauses 6.1–6.4) due to injury, illness, or inadequate physical preparation which, in the absolute discretion of the British Weight Lifting (BWL) Selection Committee, was beyond the athlete's control—BWL shall provide a financial contribution of up to £500.

This sum is intended to facilitate the resolution of issues necessitating the athlete's self-withdrawal. The application of these funds must be mutually agreed upon by the athlete and their assigned Performance Manager to support the athlete's rehabilitation and return to full training.

Where funds are utilised for coaching, sports science, or medical services, such services must be rendered by reputable practitioners holding valid licences and professional qualifications appropriate to their field (e.g. a BWL coaching licence, HCPC registration, SENR membership, or a recognised equivalent). All disbursements are subject to the provision of appropriate receipts or formal invoices.

Where an athlete fails to attend or refuses to do so, the performance team, at its discretion, reserves the right to set performance objectives for the athlete.
- 6.1.7 Inform the BWL Head of Performance immediately should preparation for this event become interrupted in any way

6.2 Additional Conditions of Selection

At point of selection, the selection panel, at their discretion, reserves the right to set additional 'conditions of selection' in any of the following key areas:

- 6.2.1 *Capability to deliver against agreed performance targets*
- 6.2.2 *Athlete health and wellbeing (including Injury and Illness)*
- 6.2.3 *Engagement with the performance team, training camps & squads*
- 6.2.4 Submission of training and bodyweight information

6.3 Causes or Concerns for Injury and/or Illness

6.4 Causes or Concerns for Poor Preparation, form and fitness

From the point of selection all athletes must consistently demonstrate, through their training and behaviour, that they are on track to achieve agreed performance targets (6.1.6).

If any concern arising from an observation of training, testing, or otherwise indicates that an athlete is not on-track to achieve agreed performance targets (6.1.6), then BWL will be entitled to request an assessment of the athlete's form and fitness.

6.5 Funding & Sponsorship Conditions

This event is funded by BWL, UK Sport, and/or Home Nation funding bodies. The cost of sending one athlete to an international competition ranges from £1,500 to £4,500, depending on the location and length of stay (excluding additional staff costs). BWL asks all athletes to tag and thank UK Sport, The National Lottery, and their respective Home Nation funding body (if applicable) in any social media posts during the competition period, to acknowledge the support in funding their participation.

BWL recognises that athletes may have personal sponsors who support them in the lead-up to this competition. We recommend that athletes contact matthew.curtain@britishweightlifting.org to discuss potential conflicts with current or prospective partners before signing any agreements. Failure to adhere to the terms outlined in the BWL 'Athlete Agreement' regarding sponsorship could result in de-selection.

6.6 Causes or Concerns for Poor Behaviour

Athletes should refer to the BWL Athlete Code of Conduct, the Athlete Agreement, and their programme induction pack for further guidance on what constitutes 'clumsy', 'inappropriate', or 'unacceptable' behaviour.

If an athlete's actions cannot be resolved, negatively impact other selected team members, or risk negatively impacting the performance of others or the team, BWL may investigate the situation through the BWL complaints and disciplinary procedure. Appropriate action, including de-selection or formal disciplinary action, may be taken if a satisfactory resolution cannot be achieved without compromising the following:

- 6.1.1 *The performance of the athlete*
- 6.1.2 *The performance of other individuals or the team as a whole*
- 6.1.3 *The reputation of BWL.*
- 6.1.4 *The health, wellbeing and safety of athletes, coaches, and support staff*

Clumsy behaviour, defined as behaviour that is awkward or insensitive in social situations, is not abnormal or uncommon. If an athlete exhibits occasional clumsy behaviour that falls below the standards outlined in the BWL Athlete Code of Conduct or the respective 'Age-group' Athlete Charter, BWL may initiate an informal resolution process involving all parties.

A resolution could include the behaviour being challenged by a member of BWL staff or other athletes, an informal apology to those affected by the athlete's behaviour, and formal or informal education to help the athlete understand how and why the behaviour falls below the desired standard. If an athlete repeatedly exhibits clumsy behaviour, despite informal warnings from BWL staff or other athletes, BWL may initiate a formal investigation through the BWL complaints and disciplinary procedure.

APPENDIX A - Bodyweight discretion

Minimum criteria for consideration

- The athlete and their personal coach has completed an annual planning meeting with the BWL performance team
- The athlete must have a track record of consistently making weight safely and effectively
- The athlete must submit a written request for discretion by email to Beverley.Kettlety@britishweightlifting.org no later than 23:59 on the last day of the qualification period. The request must clearly outline the individual's request for discretion and should consider the criteria below. (*no more than 250 words*)

Potential reasons for consideration of bodyweight discretion

- Cutting weight for a qualification competition is not in the best interest of the athletes agreed development objectives (outlined in their BWL annual plan)
- The athlete and / or team will gain a significant performance advantage by competing in a different category (e.g. higher ranking or the potential to win a medal)
- The athlete is a UK Sport funded member of the BWL Podium & Academy programme, and it is necessary for them to compete at a milestone event in a different category to maintain sport funding.
- The athlete has had an injury during the qualification period which has prevented them from competing in their desired category
- The athlete's selection does not impact another athlete's selection within the same category that has met the regular criteria.

Catch Weights & Adjusted Qualification Standards - Athletes who wish to be considered must lift within the catch weight for the relevant category and lift the MQS (3.0) + an "add on" to be considered.

The bodyweight allowance for each category has been created by considering the upper end of what is commonly considered possible for making weight without significant risks to athlete health or reductions in performance.

- 1.5% Bodymass lost through dehydration
- 0.5kg lost through fiber depletion and food volume
- Assuming the athlete is athletically lean at their weight class (circa 13-14% body fat for men and 20-21% for women), men's weight loss from fat mass is estimated at up to 1.5%, and women's weight loss is estimated at up to 2.5% from less than 6 weeks of gradual dieting to make weight safely.

The "Add on" to the minimum standard for each category is:

- 2 x the bodyweight allowance + 1kg (rounded to the nearest kilo)

Women's Bodyweight Categories

	49kg	53kg	57kg	61kg	69kg	77kg	86kg	+87kg
Bodyweight Allowance	51.0	55.1	59.2	63.3	71.6	79.8	89.1	na
"Add on" to the minimum standard	+4kg	+5kg	+5kg	+5kg	+6kg	+6kg	+7kg	na

Men's Bodyweight Categories

	60kg	65kg	70kg	75kg	85kg	95kg	110kg	+110kg
Bodyweight Allowance	62.3	67.5	72.6	77.8	88.1	98.4	113.8	na
"Add on" to the minimum standard	+5kg	+5kg	+6kg	+6kg	+7kg	+7kg	+8kg	na

Athletes wishing to compete at W86+ or M110+ may request to do so if they have lifted the minimum standard for the category below (w86kg or M110kg category respectively).

APPENDIX B - Consideration for selection under extenuating circumstances

Criteria for consideration - Athletes experiencing challenges related to any of the following criteria may apply for Extenuating Circumstances that have affected their ability to meet minimum eligibility criteria (2.0) or minimum qualification standards (3.0) for the event but will not limit their ability to deliver a performance in excess of the MQS (3.0) at this event.

- Academic limitations
- Vocational limitations
- Financial limitations
- Poor physical wellbeing
- Poor mental wellbeing

Supporting Evidence

The athlete must submit a written request for discretion by email to Beverley.Kettlety@britishweightlifting.org no later than 23:59 on the last day of the qualification period.

- The request must clearly outline the individual's request for discretion and should consider the criteria below. (no more than 250 words)
- A signed and dated supporting statement or evidence from a relevant individual (e.g., Psychiatrist, Doctor, Teacher, Line Manager, depending on the nature of the request). This individual cannot be a relative of the athlete.

Review Process –The Selection panel as a whole will be presented with the written discretion and asked to consider its relevance prior to the selection discussion (5.0)

- Is the request for exemption considered reasonable and is the evidence provided considered to be true and accurate?
- Is the athlete engaged in a BWL programme and do they have an up-to-date BWL annual plan?
- Does the panel agree that not competing during the qualification period serves the best interest of the performance of the athlete and / or team?
- Does the panel agree that competing at the target event is in the best interest of the athlete and / or team considering their individuals current extenuating circumstances?
- Could selection of the athlete displace the selection of another athlete who has fulfilled all minimum eligibility criteria? If yes this should be considered during final team selection (5.3)
- Has the athlete lifted the qualification standard in the last 12 months in the same category they have declared interest to compete in?
- Is the athlete a UK Sport funded member of the BWL Podium & Academy programme, and it is necessary for them to compete at a milestone event to maintain funding.
- Has the athlete fulfilled all other minimum selection criteria, and would the panel have selected them during the selection process under normal conditions?

Accepted Solutions - If the case for extenuating circumstances is granted the panel can propose any or all the following solutions:

- The panel can choose to consider historic results recorded prior to the qualification deadline and select the athlete
- The panel can choose to extend the qualification period for the athlete to allow them more time to fulfil the necessary qualification criteria that the extenuating circumstances prevent them from demonstrating.
- The panel can request that the athlete completes a 'Fitness test' on a defined date, time, and location in the presence of the performance team to demonstrate that they can achieve key performance targets.
