

**EQUALITY, DIVERSITY AND INCLUSIVITY ACTION PLAN 2018 – 2021
(Updated May 2019)**

Message from Our Chairman – Patrick Roberts

“At British Weight Lifting, diversity has always been and continues to be, an important part of our culture. We are committed to promoting and increasing diversity in our leadership, workforce, operational decisions, performance training and community development. Facilitating diversity and inclusion are not initiatives or programmes with expiry dates. They’re the right things to do and also core principles for the way we do business. We firmly recognise that leadership, governance and decision making are greatly enhanced when calling on a wide range of different opinions.”

ABOUT US

BWL is the National Governing Body for Olympic Lifting and IPC Para-Powerlifting in the UK.

Olympic Weight Lifting is one of the oldest competitive sports still practiced today. Tracing its origins back to ancient Greece and China, Olympic Weight Lifting was one of the seven sports that made up the programme of the first modern Olympic Games in Athens, 1896. Weight Lifting for men has featured at every edition of the Olympic Games in the modern era, with women’s events introduced at the Sydney Games in 2000.

Olympic Weight Lifting is a bodyweight sport with athletes competing against others in the same category. British Weight Lifting is affiliated to the European Weight Lifting Federation (EWF), the governing body for Olympic Weight Lifting in Europe, and the IWF (the International Weightlifting Federation).

Para-Powerlifting is one of the fastest growing Paralympic sports. The second Paralympic Games in Stoke Mandeville, 1964 saw Para-Powerlifting make its debut. By the 1992 Paralympic Games in Barcelona, 25 countries participated in the Para-Powerlifting competition. That number more than doubled in 1996 at the Atlanta Paralympic Games with 58 countries in participation.

Since 1996 that number has risen to a total worldwide membership of 115 countries with 5000 registered athletes on five continents. This is a dramatic change from its humble beginnings where only men were permitted to compete. Women competed for the first time at the Sydney Games in 2000 and at the 2008 games in Beijing, powerlifting was one of the most viewed sports at the Paralympic games.

The sport is adapted from non-disabled powerlifting, concentrating solely on the bench-press movement. The key aspect of the sport is simple; the person who lifts the most weight within their body weight category on the day of competition is deemed the winner. Technical rules apply and during competition, 3 judges apply criteria in determining whether a lift is acceptable. Athletes must lower the bar to their chest, hold it motionless, and then press it upwards to arm’s length with elbows locking simultaneously. An athlete gets 3 attempts on stage to lift their maximum weight.

Para-Powerlifting is governed by the International Paralympic Committee. More information on Para-powerlifting can be found on the [World Para Powerlifting website](#).

THE BWL STRATEGY 2017 to 2021

Our role is – *To influence, connect and provide Weight Lifting and Weight Training to make it an everyday part of people's lives in the United Kingdom.*

Inclusivity is one of our core principles running through the heart of our Strategic plan, as we strive to ensure our sport is accessible and attractive to the widest audience. We encourage all connected to Weight Lifting to embrace diversity and we are actively seeking new partnerships to broaden our offer.

In our Strategic Plan we have committed to increasing the diversity of volunteers (including Board and committee members), participants, instructors, staff and our wider workforce. Although we lead the World in terms of Female Technical Officials, we are working on a number of initiatives to encourage more women, especially female coaches, people with disabilities and people from black and ethnic minorities to become more actively involved in all aspects of our activities. We have also produced guidance for our affiliated clubs on welcoming transgender participants and people from different ethnic and faith groups.

Our 4 key strategic objectives are:

- More People – Taking part in Weight Lifting and Weight Training on a regular basis
- Greater Inclusivity – So everyone can take part
- Globally Successful – The UK leading the World on and off the platform
- Maximising Investment – A well governed, managed and financially sustainable NGB

Through 7 programmes of:

- Strong - Help those who are inactive to regain their strength in their daily lives
- Stronger - Help those who are active and wish to become fitter and stronger
- Strongest - Provide inclusive competitions for those who want to compete to be the best
- Talent – Provide environments, opportunities and support for talented lifters to raise their potential to succeed
- Performance – Winning frequently at Olympic, Paralympic, World, European, Commonwealth and International level
- Governance – Manage the sport and NGB in the most effective, efficient and safe way possible
- Investment – Create sustainable investment streams to develop and support Weight Lifting

Statement on Diversity and Equality

BWL is fully committed to providing equal opportunities to all employees, potential employees, past, present and potential members and participants, coaches, instructors, volunteers and officials.

Our commitment to equal opportunities ensures everyone will be treated fairly and on an equal basis. We do not condone discrimination on the grounds of sex, age, disability, race, colour, nationality, ethnic or national origin, religion or belief, sexual orientation, pregnancy or maternity or marital or civil partnership, gender reassignment or social status.

Equality Standard

To ensure the organisation remains fully compliant, BWL is fully committed to achieving the essential levels of the Equality Standard for Sport, established by the Sports Councils as a benchmark for the governing bodies to whom they provide funding. BWL will over the next cycle demonstrate that equality is embedded throughout the organisation, its functions, policies, and all its staff and volunteers. Key dates that we have committed to are:

Level of the Standard	Target Date	Achievement Date
Preliminary	31 October 2018	3 November 2018
Intermediate	31 October 2021	

BWL will seek over this period to continue to grow the number of women and girls participating in the sport as well as making significant changes to the corporate governance of the organisation, which has led to wide scale reform of the Board of Directors with the intention of becoming far more reflective of the sport and society as a whole.

Board Diversity

30% of the 10 active BWL board members are female, with all 10 members varying in age and background. Two members are from a minority ethnic group and one is white Irish. The two athlete representatives invited to attend Board meetings, one is female and one has a disability and is from a minority ethnic group.

Board Recruitment

Board vacancies are advertised openly using a wide range of media, including Stakeholder websites, Women on Boards and the Sporting Equals Leaderboard. Candidates are shortlisted by our appointed Nomination Committee on the basis of their competences, knowledge, skills and experience, taking account of any skills gaps in the competences of the remaining Board members.

Where there is more than one candidate with a similar range of skills and competences, the Nomination Committee use positive action with the aim of ensuring that, if at all possible, the shortlist includes suitably skilled women, people with disabilities and people from BAME backgrounds.

Commitment and Day-to-Day Practice

BWL commits to ensuring that equality and diversity procedures, policies and practices are active always throughout organisation, both in internal and external facilities.

Our target is to maintain a position where a minimum of 30% of Board members are from each gender, maintain as close to possible an equal (50/50) split in competition entries and Technical Officials, and develop and grow the number of high quality female coaches.

BWL are also committed to ensuring fair recruitment across all vacancies.

Monitoring

BWL conducts regular equality monitoring of all groups (Board, staff, job applicants, members, coaches, instructors, officials, elite squads).
