4. Selection

The selection panel will convene to select athletes during the week beginning 10th September 2018. Lifters will be provisionally selected based on the eligibility criteria in section 2.  - (b) Percentages will be rounded to the nearest whole number

(c) All Athletes will then be ranked using these percentages, the top ranked athletes will then be selected (a copy of the most up to date Ranking can be obtained from stuart.martin@britishweightlifting.org)

(d) In the event of a tie in this ranking, the next best performance that was achieved between 01.09.2017 – 09.09.2018 at a national or international event will be considered and the athlete with the highest percentage of the qualifying standards will be selected first.

4. If self-funding or funding through a home nation is not available (or agreed on) the next ranked eligible lifter following the process in point 4.3 will be provisionally selected.

5. If the number of eligible athletes is less than the Team Size the selection panel at their discretion reserves the right to select athletes who have demonstrated a performance trajectory in-line with qualification and performance at Tokyo 2020 or Birmingham 2022.

5. Financial Contributions
