

Eleiko Discounts for BWL Members

A surge in home gym sales has seen a drop in available stock in the UK, however, it's business as usual at Eleiko HQ, where staff are continuing to manufacture, pack, wrap and ship equipment out to thousands of home gyms across the world, with UK deliveries arriving days after ordering.

BWL Members are entitled to a **25% discount** on Eleiko Products.

If you are looking to purchase some equipment to use at home, please email uk@eleiko.com with your BWL membership number (to receive your BWL discount), address, contact number and your desired equipment and they will come back to you with a quote and confirmation of lead time.
