4. Selection Process

Lifters will be provisionally selected based on the eligibility criteria in section 2. Selection will only be confirmed once the athlete's Home nation has agreed to invest in a specific athlete or an athlete is able to self-fund. The following criteria will be applied to determine selection;

1. BWL will use data from BWL/IWF/EFW licensed competitions over a 12-month period prior to the International competition in question.
2. The IWF/EFW maximum team size is;
 - a) 10 Male (+2 Male Reserves)
 - b) 10 Female athletes (+2 Female Reserves)
3. The number of lifters selected in each weight category will not exceed 2
4. If the number of athletes qualified exceeds the IWF maximum Team Size or sufficient funding is not available to send all eligible athletes, then the following criteria will apply to those athletes:
 - a) Each Athlete's best performance during the selection period will be expressed as a percentage of the "Under 15 & Youth Ranking Standard" (3.2)
 - b) Percentages will be rounded to the nearest whole number
 - c) All Athletes will be ranked using these percentages, the top ranked athletes will then be selected (a copy of the most up to date Ranking can be found [here](#) "BWL Youth & U15 Pathway Rankings"
 - d) In the event of a tie in this ranking, the next best performance that was achieved between 10.01.2019 – 10.06.2019 at a BWL/EFW/IWF event will be considered and the athlete with the highest percentage of the Olympic Pathway standards will be selected.
5. If self-funding or funding through a home nation is not available (or agreed on) the next ranked eligible lifter following the process in point 4.4 will be provisionally selected.
6. If the number of eligible athletes is less than the Team Size the selection panel at their discretion reserves the right to select athletes who have demonstrated a performance trajectory in-line with qualification and performance at Paris 2024 or Los Angeles 2028.

5. Financial Contributions

1. Athletes may be required to self-fund their participation for the European Under 15 & Youth Championships 2019 if Home nation funding is not available. If full costs of the competition cannot be covered by their respective Home Nation, lifters will be asked to cover the balance. Athletes are advised to sign-off fundraising ideas with Ashley.Metcalf@britishweightlifting.org to avoid any potential conflicts or embarrassment with current or potential partners.
2. Home Nations are responsible for funding of Age-group athletes. BWL advises that athletes make direct contact with their Home nations to identify if funding is available to support their participation at international events.

English Athletes should contact EWL [here](#) to identify what funding is available

Scottish Athletes should contact WL Scotland [here](#) to identify what funding is available

Welsh Athletes should contact WL Wales [here](#) to identify what funding is available
